

**REMARKS/ARGUMENTS**

This case has been carefully reviewed and analyzed in view of the Office Action dated 25 February 2004. In that Office Action, the Examiner closed prosecution on the merits in accordance with the practice under *Ex Parte Quayle*, Claims 1 – 12 having been allowed.

As directed by the Examiner, the informality specifically noted at page 5, lines 4-5 of the Specification, has now been removed by incorporating an idiomatic correction therein.

It is believed that the subject Patent Application has now been placed fully in condition for allowance, and such action is respectfully requested.

Respectfully submitted,

Jun Y. Lee  
Registration #40,262
